Why Choose CSU?

Low Tuition Rates

At CSU, we pride ourselves on providing our students with the strongest online degree programs at an affordable rate. On average, our tuition is less than half the cost of our competitors* and course materials are provided at no cost.

Transfer Credit

CSU allows transfer credit for your prior academic credits, training and relevant professional licenses and certifications.** To make the process as easy as possible, CSU will request transcripts from your previously attended institutions on your behalf, at no cost to you.

Flexible Online Learning Options

Giving our students the flexibility they need to fit education into their busy schedules is at the core of our mission. Our degree programs are designed to accommodate working professionals, moms, dads and anyone else who is balancing school with other life commitments.

Military & Veteran Supportive

We are honored to serve military members, veterans and their families. With a military student population of approximately 40%, CSU takes great pride in providing the highest level of service through our dedicated military support teams.

Quality Degree Programs

Carefully designed and taught by experienced industry experts, CSU's courses have been recognized for their quality academic content, high-caliber instruction and commitment to advancing the industries that they serve.

Certificates

CSU offers direct enrollment and embedded certificates. A student earns a direct enrollment certificate by enrolling in the certificate program only and completing the requirements of the certificate. A student earns an embedded certificate by completing courses that meet the requirements of the embedded certificate within the degree program of record. Certificates require a minimum of 12 semester hours and are recorded on the student's transcript.
